

Sun Plans Inc. is an Energy Star House Design Partner. A SunPlan is the result of Sun-Inspired Design: the gold lining of green building. A SunPlan is designed to be constructed to Energy Star standards. Selecting builders, home energy raters, and HVAC contractors who are also Energy Star Partners can greatly increase the possibility that the home will achieve Energy Star Certification. Find Energy Star Partners to assist with home construction and learn more about the requirements of Energy Star for new homes. www.energystar.gov

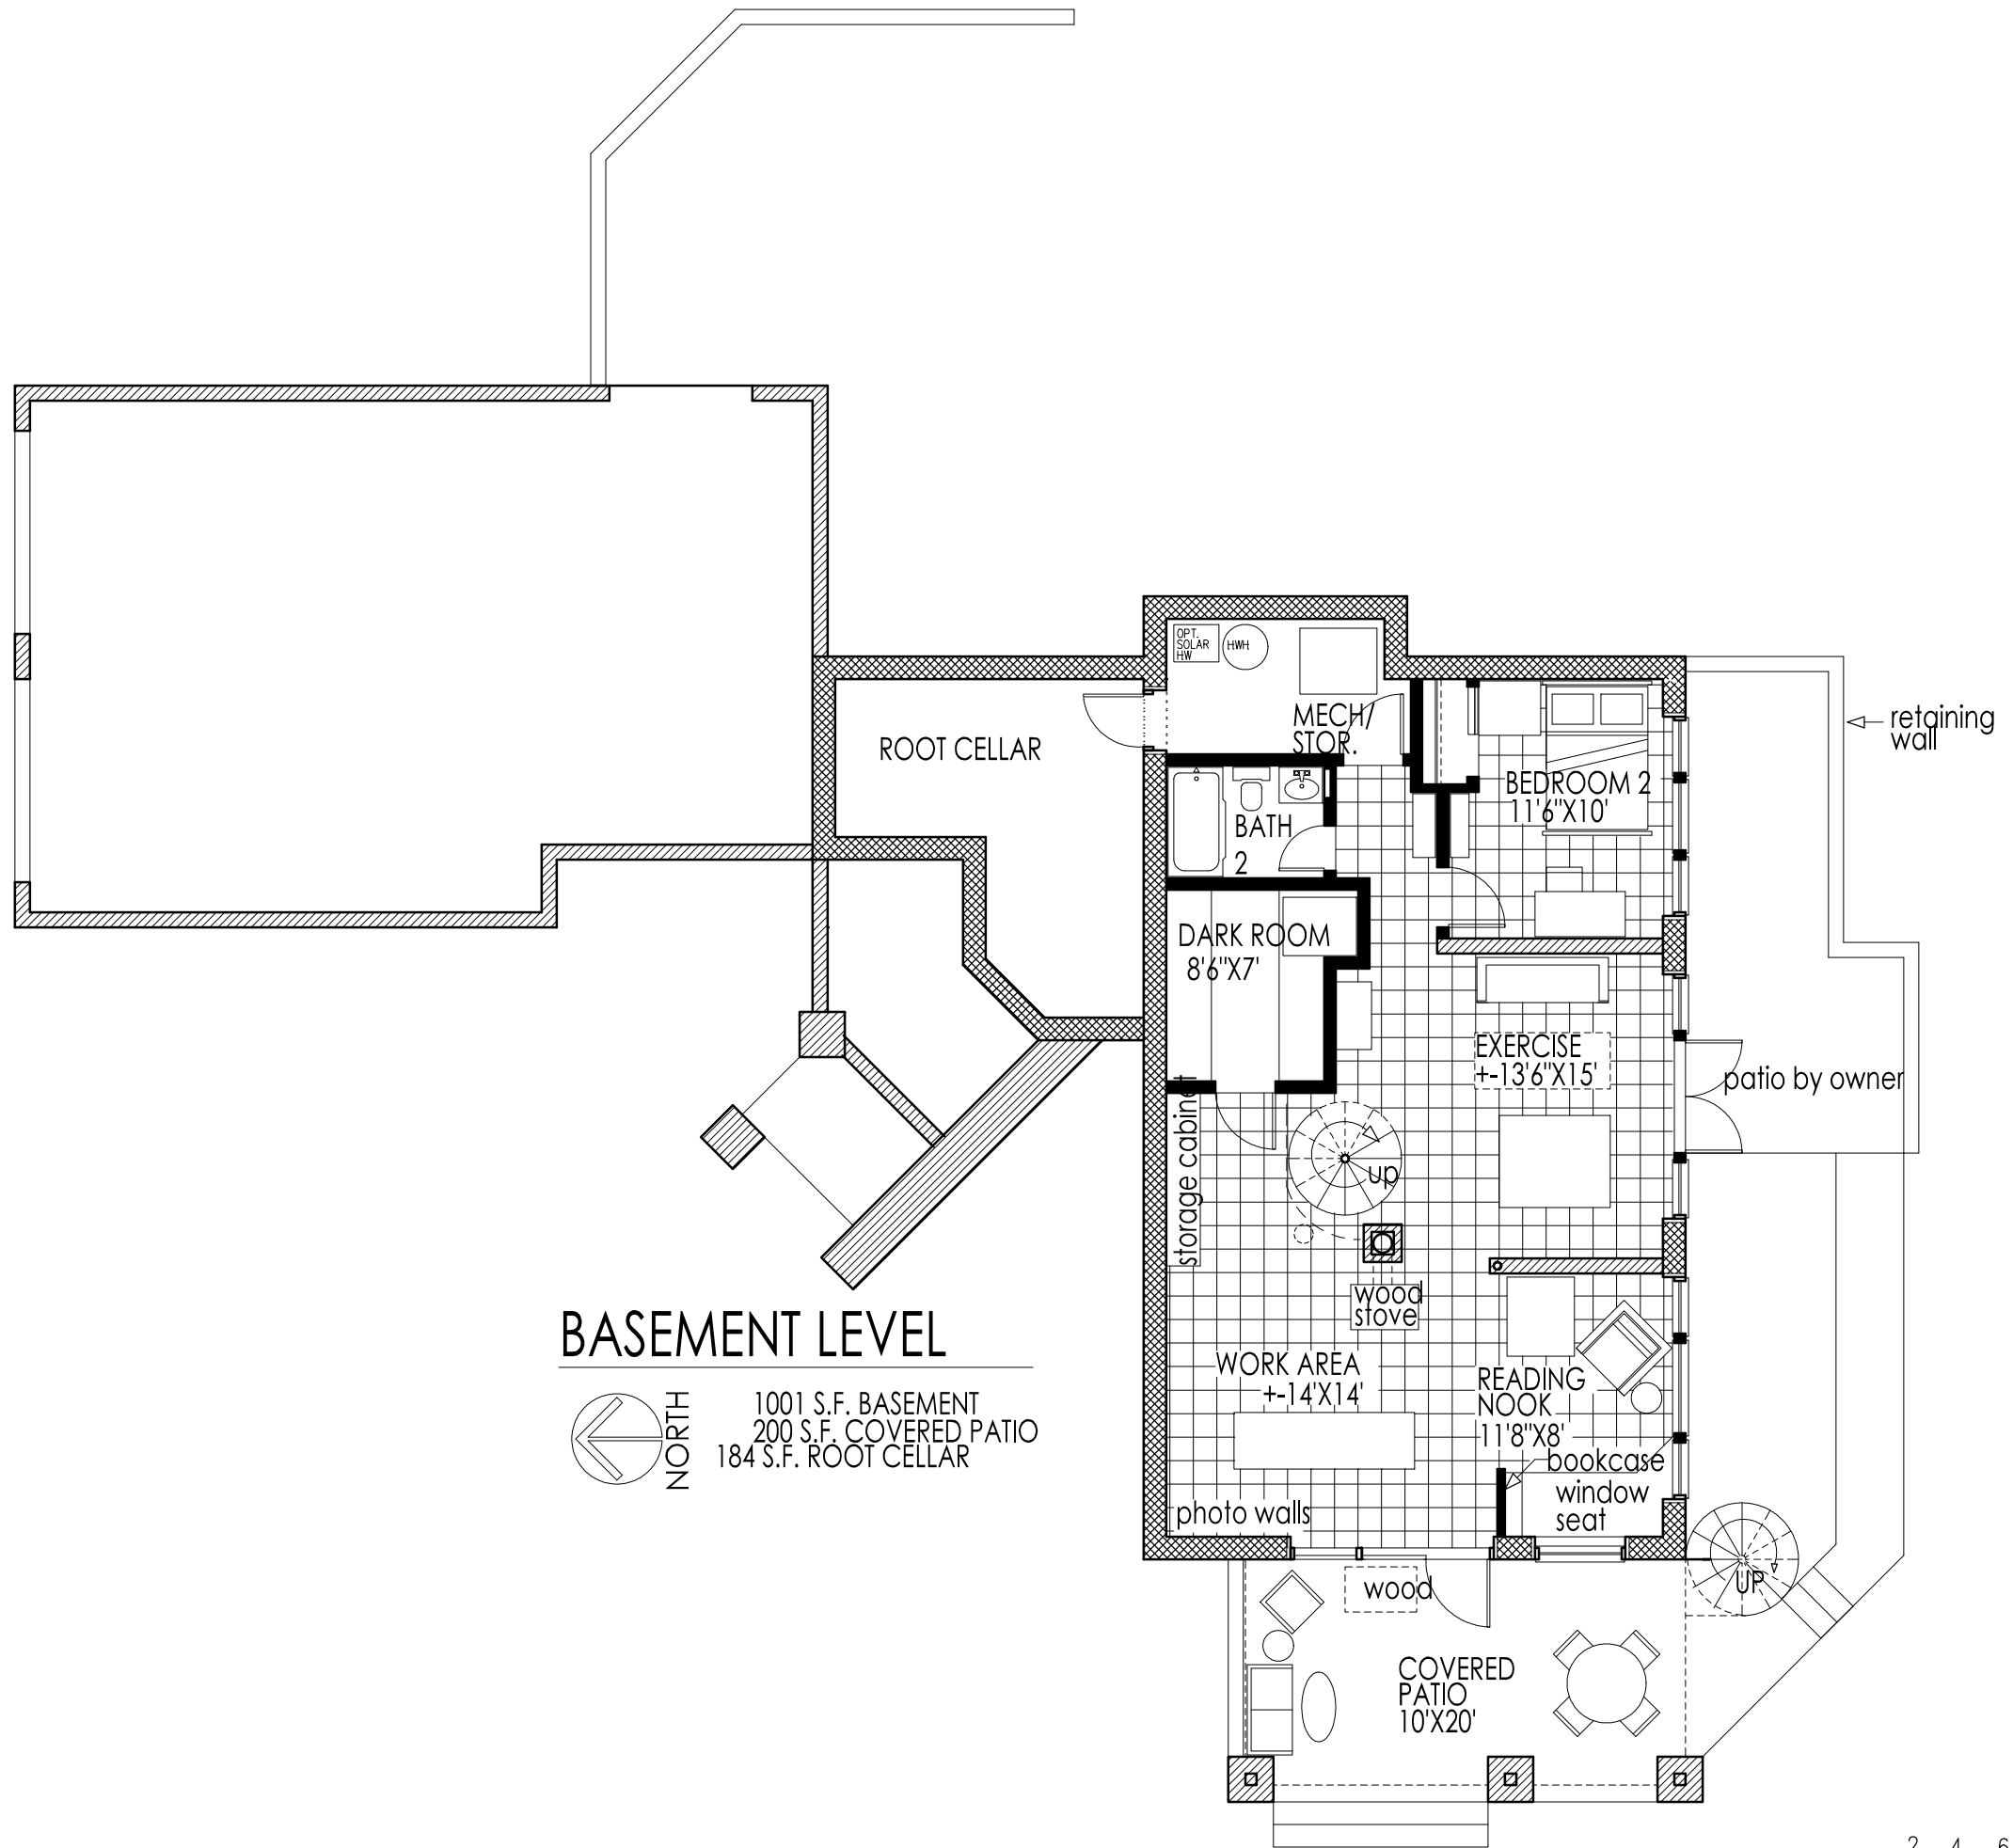

This design is copyrighted by Sun Plans Inc. Use of this design in either paper or electronic format for any reason is prohibited including acts such as reprinting, publishing, creation of construction drawings (even with substantial modification of the design) by another party except by permission of a written agreement from Sun Plans Inc. One-time copyright releases to allow the design to be modified by other design professionals for a single use of the design are available for sale with orders such as Erasable Vellums and CAD (computer aided design) files for many of Sun Plan's designs. Thank you for your cooperation.
